## Возможность управления навигационной панелью

The screenshot displays the Scopus website interface. At the top left is the Scopus logo. The navigation bar includes links for Search, Sources, Alerts, Lists, and Help, with a user profile icon highlighted in a red box. Below the navigation bar is a blue header for 'Document search' with a 'Compare journals' link. The main search area contains a search bar with the query 'chem\* and bio\* and fund\* and medic\* and Russ', a date range filter set to 'All years' to 'Present', and subject area filters for Life Sciences and Health Sciences. A modal window titled 'Login using your Elsevier credentials' is overlaid on the search area. It contains fields for Username (filled with 'galinayakshonak') and Password (masked with dots), a 'Remember me' checkbox, and a 'Login' button. To the right of the login fields are links for 'OpenAthens login', 'Login via your institution', 'Other Institution login', and 'Apply for Remote Access'. Below the login fields are links for 'Not Registered?' and 'Forgotten your username or password?'. A footer note indicates '\*=required fields'. On the right side of the page, a dark sidebar contains a user menu with options: 'Guest user', 'Register', 'Login', 'Personal profile access', 'My Scopus', 'My organization', 'Brought to you by Scopus Team', 'Library catalogue', 'SciVal', 'Mendeley', and 'Pure'.
